

It's All Part of the Magic

From *The Grunch*

*Music and Lyrics by
Denver Casado and Betina Hershey*

SOLO 1

You can find me behind the scen'ry
Standing firm 'til I hear my cue
Moving platforms and bits of green'ry
Making sure nothing falls on you
You might imagine that my arms get pretty
tired
And yes they do but I don't mind

Cuz it's all part of the magic
It's much more than mundane
It's all part of the magic
The magic of helping to entertain

SOLO 2

Nothing happens in utter darkness
So they need me to shed some light
Up I go with my bulbs and colors
Switching gets 'til I get it right
You might forget me while I'm up there on
that ladder
But still I'm proud of what I do

SOLO 1 & 2

Cuz it's all part of the magic
It's much more than mundane
It's all part of the magic
The magic of helping to entertain

ALL

When I was a little kid I never really knew
Being so behind the scenes is what I'd want
to do
Most kids dream of being stars and hope for
something more
But I take pride in what I do
Although it's quite obscure

SOLO 3

I'm the one with the cloth and needle
Hemming pants 'til the last one's fixed
Though some actors are never happy
It's the audience I've transfixed

ALL

Although we never get to stand there in the
spotlight
We know we're part of every bow

Cuz it's all part of the magic
It's much more than mundane
It's all part of the magic
The magic of helping to entertain
The magic of helping to entertain
