

DAYDREAMING
(5 Actors)

(JAY lays on the ground looking up at the sky happily. DYLAN enters.)

DYLAN: Hey, Jay. What're you doing?

JAY: Daydreaming.

DYLAN: Have you been doing this all day?

JAY: I haven't been paying attention to the time, but yeah, I think I've been up here a while.

DYLAN: Aren't you bored?

JAY: I don't think so.

DYLAN: Well then aren't you lonely? Sitting there all by yourself?

JAY: I'm not alone. I'm with my friend, Porky the porcupine.

(DYLAN notices PORKY who magically appears at JAY's feet.)

PORKY: Hi. I'm Porky.

DYLAN: AH!! Where'd you come from?!

JAY: And I have my memories.

(LITTLE JAY enters looking for something.)

LITTLE JAY: Hi. I'm six-year-old Jay. I lost my sweater at the zoo. Can you help me find it?

DYAN: Woah!! What?! How!?

LITTLE JAY: I don't know how. That's what I'm trying to figure out.

PORKY: I'll help!

LITTLE JAY: Thanks!

(LITTLE JAY and PORKY wander away, looking for the sweater.)

JAY: And, of course, I have my future aspirations and dreams.

(BIG JAY enters)

BIG JAY: I am future Jay, and I have just discovered the cure for the common cold!*(BIG JAY sneezes)* *Ah choo!* I think it needs some more work. Back to my laboratory on Mars!

(BIG JAY gets to work in their lab, experimenting with different medicines.)

DYLAN: What's going on!?! Where are we!?!?
