

**JAY:** We're in my imagination! Behind the largest waterfall and down the road from the watermelon orchard.

**BIG JAY:** And also on Mars!

**LITTLE JAY:** And at the zoo!

**DYLAN:** Ah! Waterfall! I'm all wet! It's spraying everywhere!

*(PORKY offers DYLAN a towel.)*

**PORKY:** Do you want a towel? I weave them out of porcupine quills. Careful. They're sharp.

**DYLAN:** This doesn't make any sense! Porcupines don't talk and they don't weave!

**BIG JAY:** Not yet, but in the year 2060 they will. Hey, Little Jay, I found your sweater!

*(BIG JAY hands LITTLE JAY their sweater.)*

**LITTLE JAY:** Behind the lions' cage. I shoulda looked there!

**PORKY:** Hi lions!

**DYLAN:** Oh no! Lions!

**JAY:** Oh, don't worry. They're friendly. Anyway, what did you ask me? Oh right! Am I bored? Um, not really. Why? Are you?
